

LISTENING TO PATIENTS + CLINICIANS; HEALTH APP LIBRARY PILOT

29.05.18

HEALTH APP LIBRARY; BACKGROUND

- Library of health apps
- Test site @ <http://hse.orchestra.co.uk>

<https://www.youtube.com/watch?v=U5cqpYJ4Lhw>

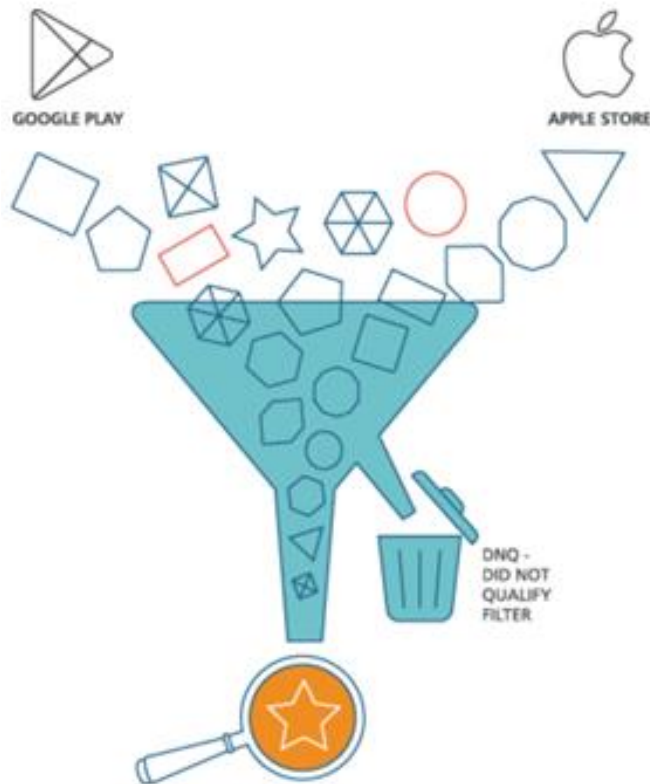

WHY?

Over 350,000 apps; how do I know which to trust?

- **Pilot** app library; is it the best model? We are engaging with:
 - Clinicians
 - Researchers
 - Patients
 - You!

WHAT DOES ORCHA DO; IN THEIR OWN WORDS?

- Weekly analysis of all the Apps available on the App Store or Google Play in the 'health, wellbeing/fitness and medical' sections.
- Filter out Apps that are not available to use in Ireland and Apps that have not been updated for 18 months or more.
- Organise into over 250 health and care condition categories

WHAT DOES ORCHA DO; IN THEIR OWN WORDS...

Data Security

- What it collects?
- How it handles it

Clinical Assurance

- 'Is there a suitably qualified professional or organisation behind the App?
- Clearly for a clinically focussed App we would expect to see a relevant clinician involved'

User Experience

- Availability on both primary platforms?
- How well it caters for end users with different needs?
- How well supported the App is
- What it costs

TELL US WHAT YOU THINK?

1. First impression?
2. Finding what you want?
3. Trust- clinical assurance?
4. Scoring?
5. Apps for your area of interest/condition?
6. Other comments

CONTACT DETAILS

We would very much appreciate your feedback on the test-site. If interested, please contact Rosaleen Quinlan before Wednesday June 19th
