Patient as an Empowered Partner:

Empowering Ireland's Patients for a Healthier Tomorrow Our vision is to revolutionize healthcare in Ireland by making the patient an empowered partner in their own care journey. Through seamless access to real-time information, innovative models of care, and collaborative platforms, we aim to enhance patient experience and enable proactive health management. Have the right information at the right time in the right place—and the power to share it.

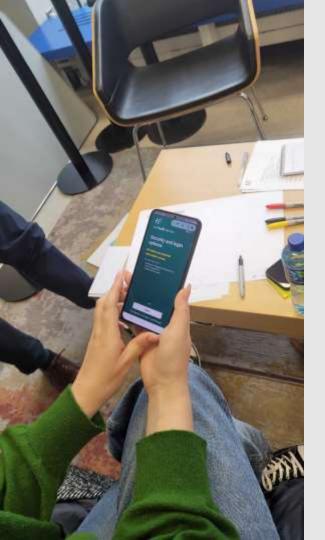

Together, we're not just improving healthcare; we're reimagining it.

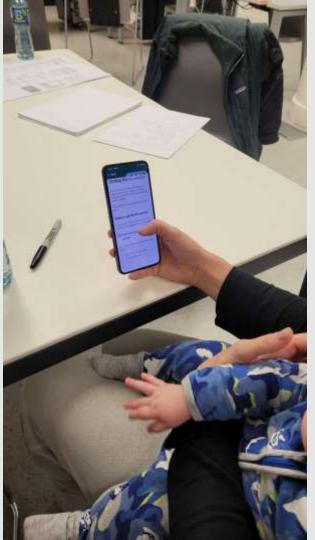

Health App

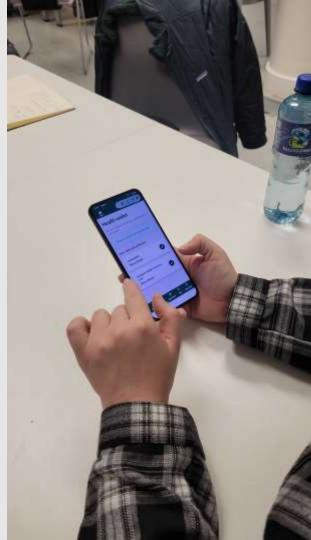

- COVID Lessons Learned: Built on learnings from COVID Tracker App
- Cross Government and International Collaboration: in collaboration with HSE, Dept of Health and OGCIO + EU MS & EU Digital Initiatives (EUDI, EIDAS)
- Everything By Design:
- Security by Design
- Privacy by Design
- Accessibility by Design
- Collaborative Design: Designed with Patients and Clinicians
- Data Protection: DPIA in development based on COVID Tracker learnings

Values - mothers

The biggest value of the app to me, is ...

MANAGING APPOINTMENTS - THAT WOULD BE THE THING THAT YOU HAVE TO KEEP ON TOP OF - WHERE YOU'RE GOING AND WHEN IS JUST THE MOST IMPORTANT THING IN YOUR PREGNANCY.

The biggest value of the app to me, is ...

PERSONALIZED JOURNEY WITH THE RIGHT INFO AVAILABLE TO ME AS I NEEDED IT

Values - medical professionals

The biggest value of the app to me, is ...

SAVES ME TRANSMITTING STANDARD INFORMATION. COULD SIGNPOST TO THE APP INSTEAD. GIVES MORE TIME TO CHAT TO THE PATIENT UNDERSTANDING HOW THE PATIENT IS FEELING. The biggest value of the app to me, is ... INSTANT ACCESS TO PATIENT DEMOGRAPHIC AND PRESCRIPTION PATIENT CENTERED CARE!

Questions - mothers

A question I have about the app, is ...

IS IT GOING TO HAVE ALL MY HEALTH DATA (COMPLETE HEALTH RECORD)? I'VE HAD EXPERIENCES WITH MOVING ETC... IT'S ON YOU TO REMEMBER WHATS HAPPENED BEFORE - WHAT'S GONE ON? THAT'S A LOT FOR A PERSON. A question I have about the app, is ...

HOW? CAN'T SEE HOW IT WILL HAPPEN BUT WOULD LOVE IT TO

Questions - medical professionals

A question I have about the app, is ...

HOW DO WE MAKE SURE THE INFORMATION IS RELEVANT AND UPDATED FOR PATIENTS A question I have about the app, is ... WHAT IS THE SOURCE OF THE DATA? ARE YOU EXPECTING THE GP TO TYPE IT IN? ŀĿ
