SUPPORTS REQUIRED TO START THE JOURNEY

DIGITAL LEADERS PURPOSE

Bridging the gap

Our IT Professionals

Our Clinicians & Our Hospital Groups

Support data-driven leadership culture

Provide assurance

Help build digital literacy and a digital capable workforce

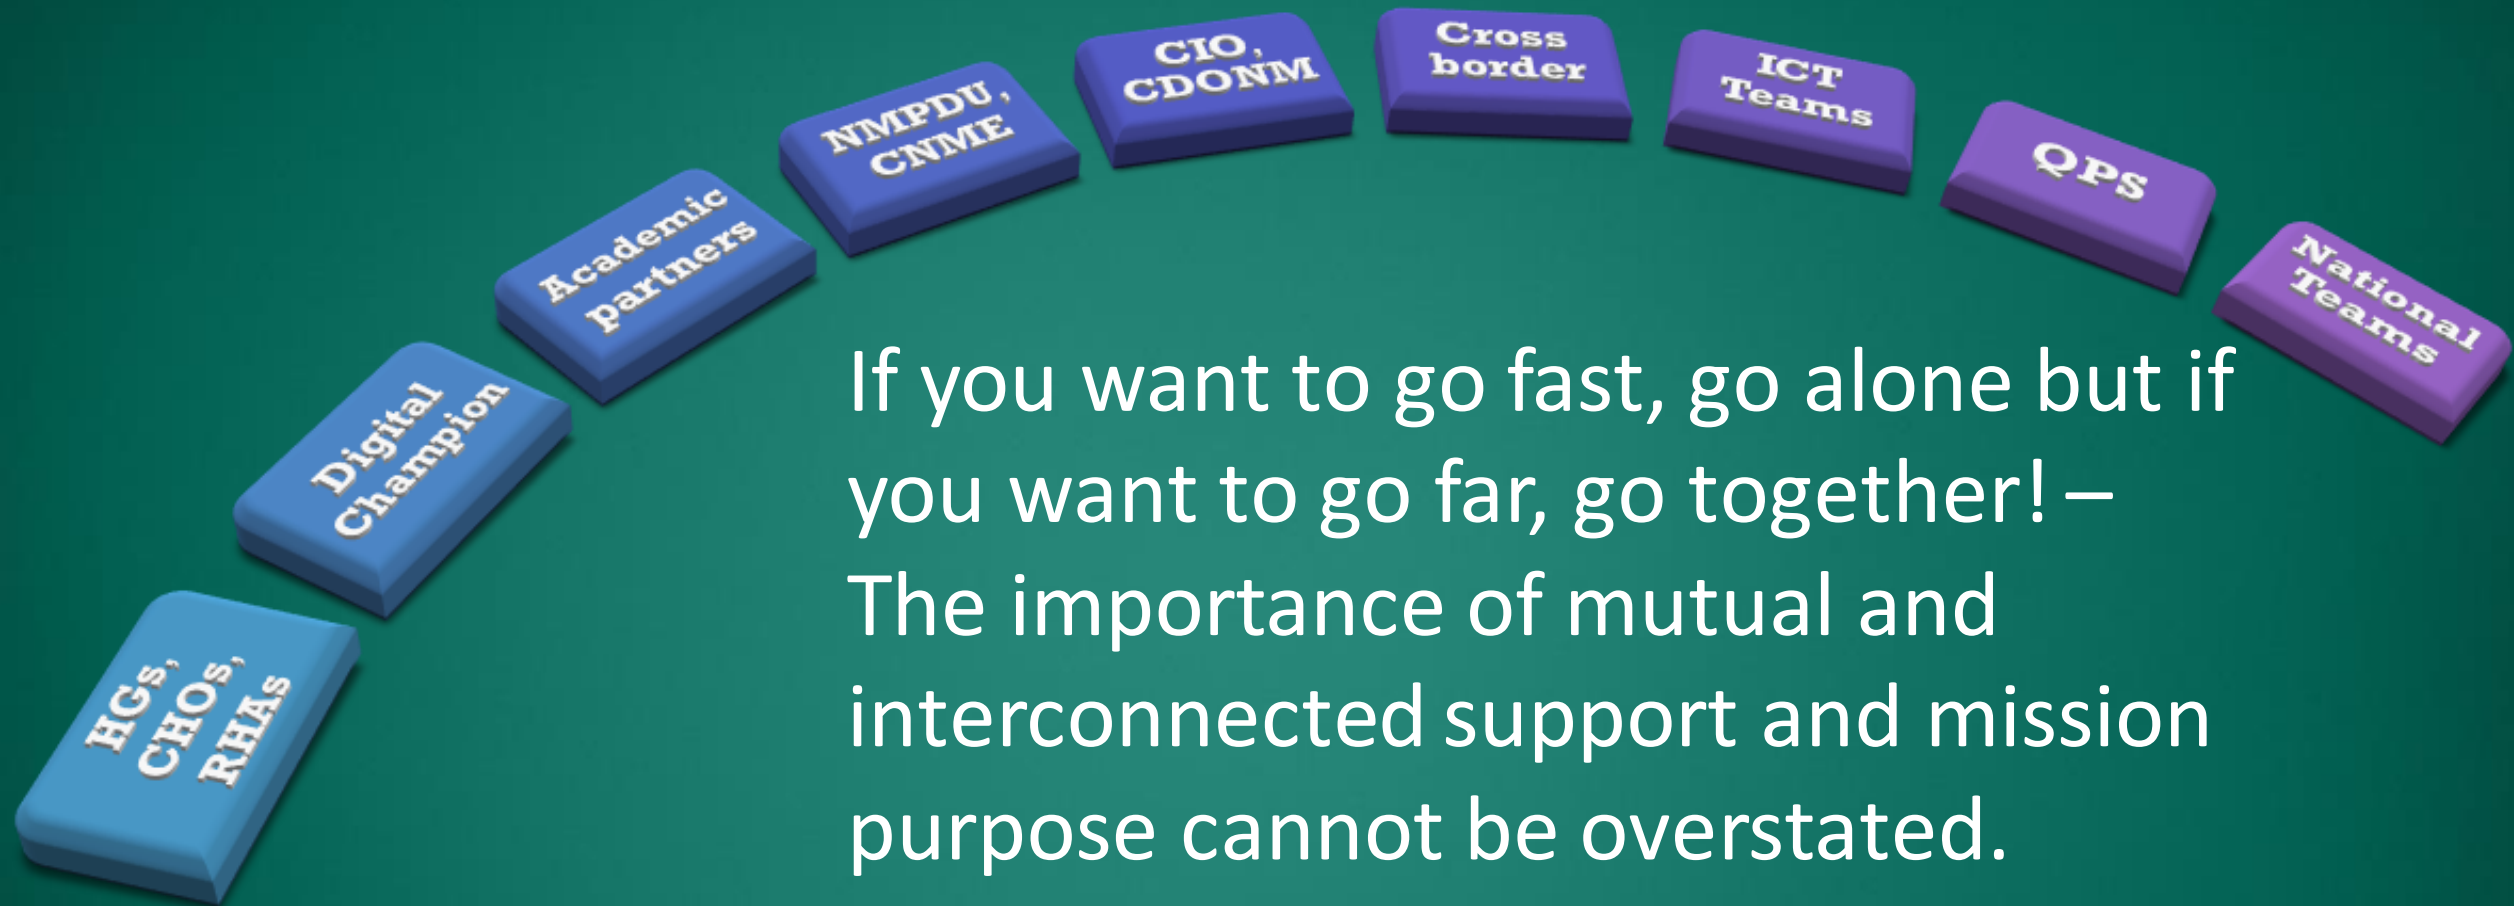

SUPPORTING DIGITALISATION - ENABLES CONNECTING TOGETHER

WORKING TOGETHER

No person is/should be an island

If you want to go fast, go alone but if you want to go far, go together! – The importance of mutual and interconnected support and mission purpose cannot be overstated.

SUPPORTING DIGITAL LEADERS THROUGH EMPOWERMENT

National Governance – responsibility & accountability

Aligned Digital Strategy, Vision & Service plan

Engagement – NMIO representation on every board & programme

Guidelines for Acute & community area digital roles

Standardised career pathways and improve education and training to support trust

Information sharing: national & local

Leadership, collaboration and communication

CIO/CDONM working together to develop digital roles

BENEFITS

IMPROVE THE PATIENT-
NURSE/MIDWIFE
RELATIONSHIP

REDUCE
INEFFICIENCIES

INCREASE QUALITY
CLINICAL EXCELLENCE

MAKE CARE MORE
PERSONALISED

IMPROVE ACCESS

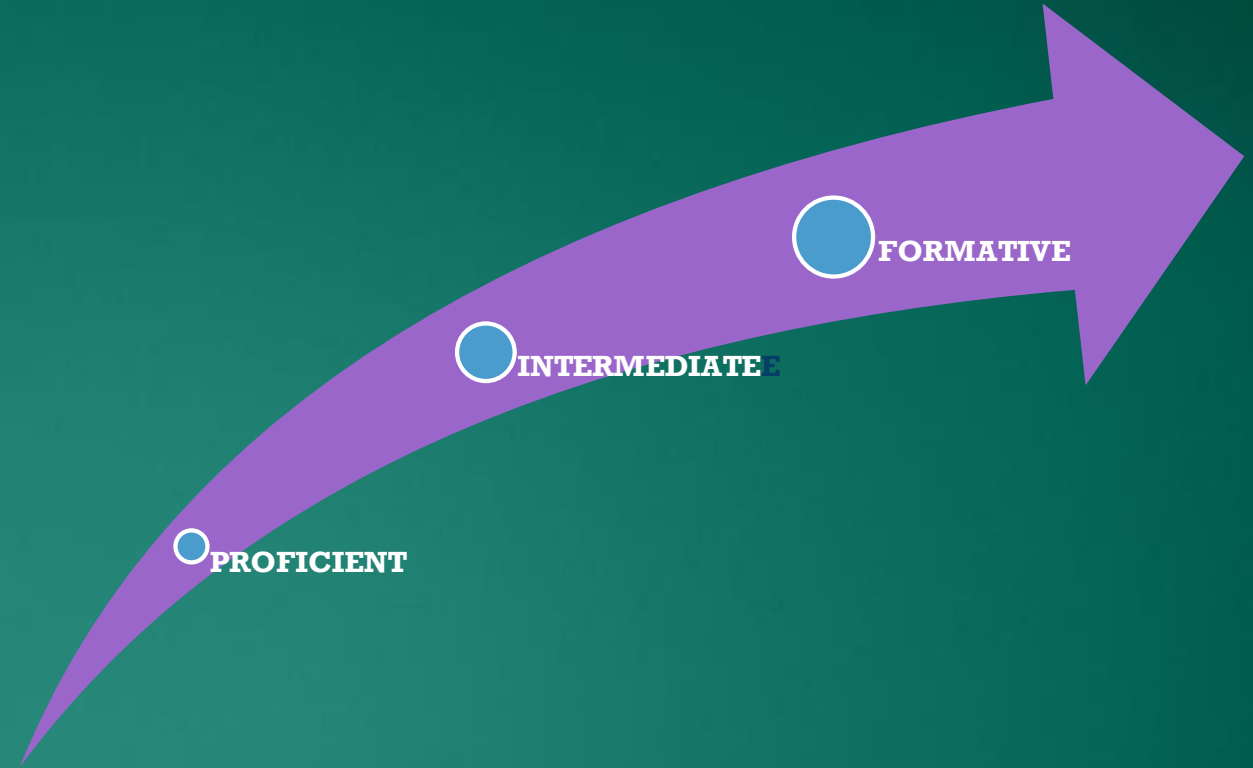

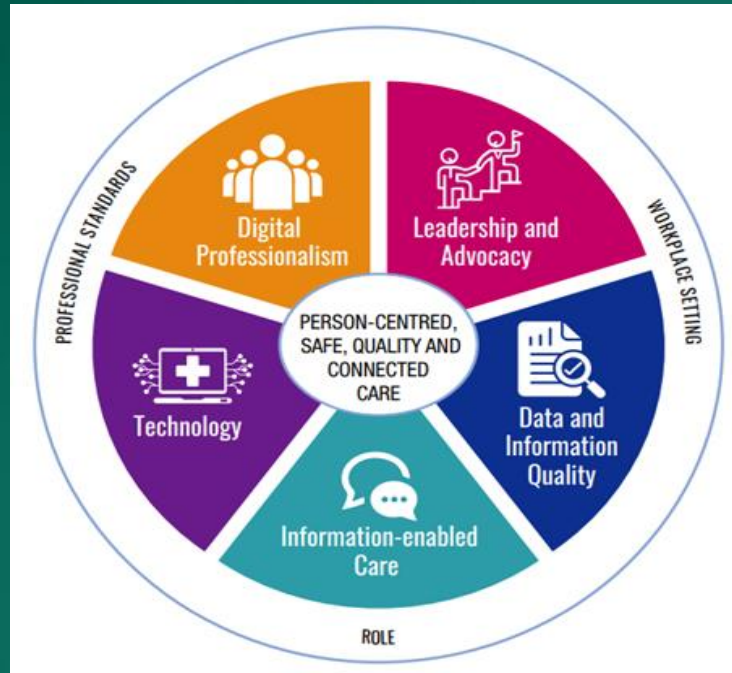

ENABLE CARE CLOSER
TO HOME

INCREASE
RESPONSIVENESS

GETTING EVERYONE TO “FORMATIVE” DEMANDS EVERYONE’S EFFORT

Digital Capability Framework

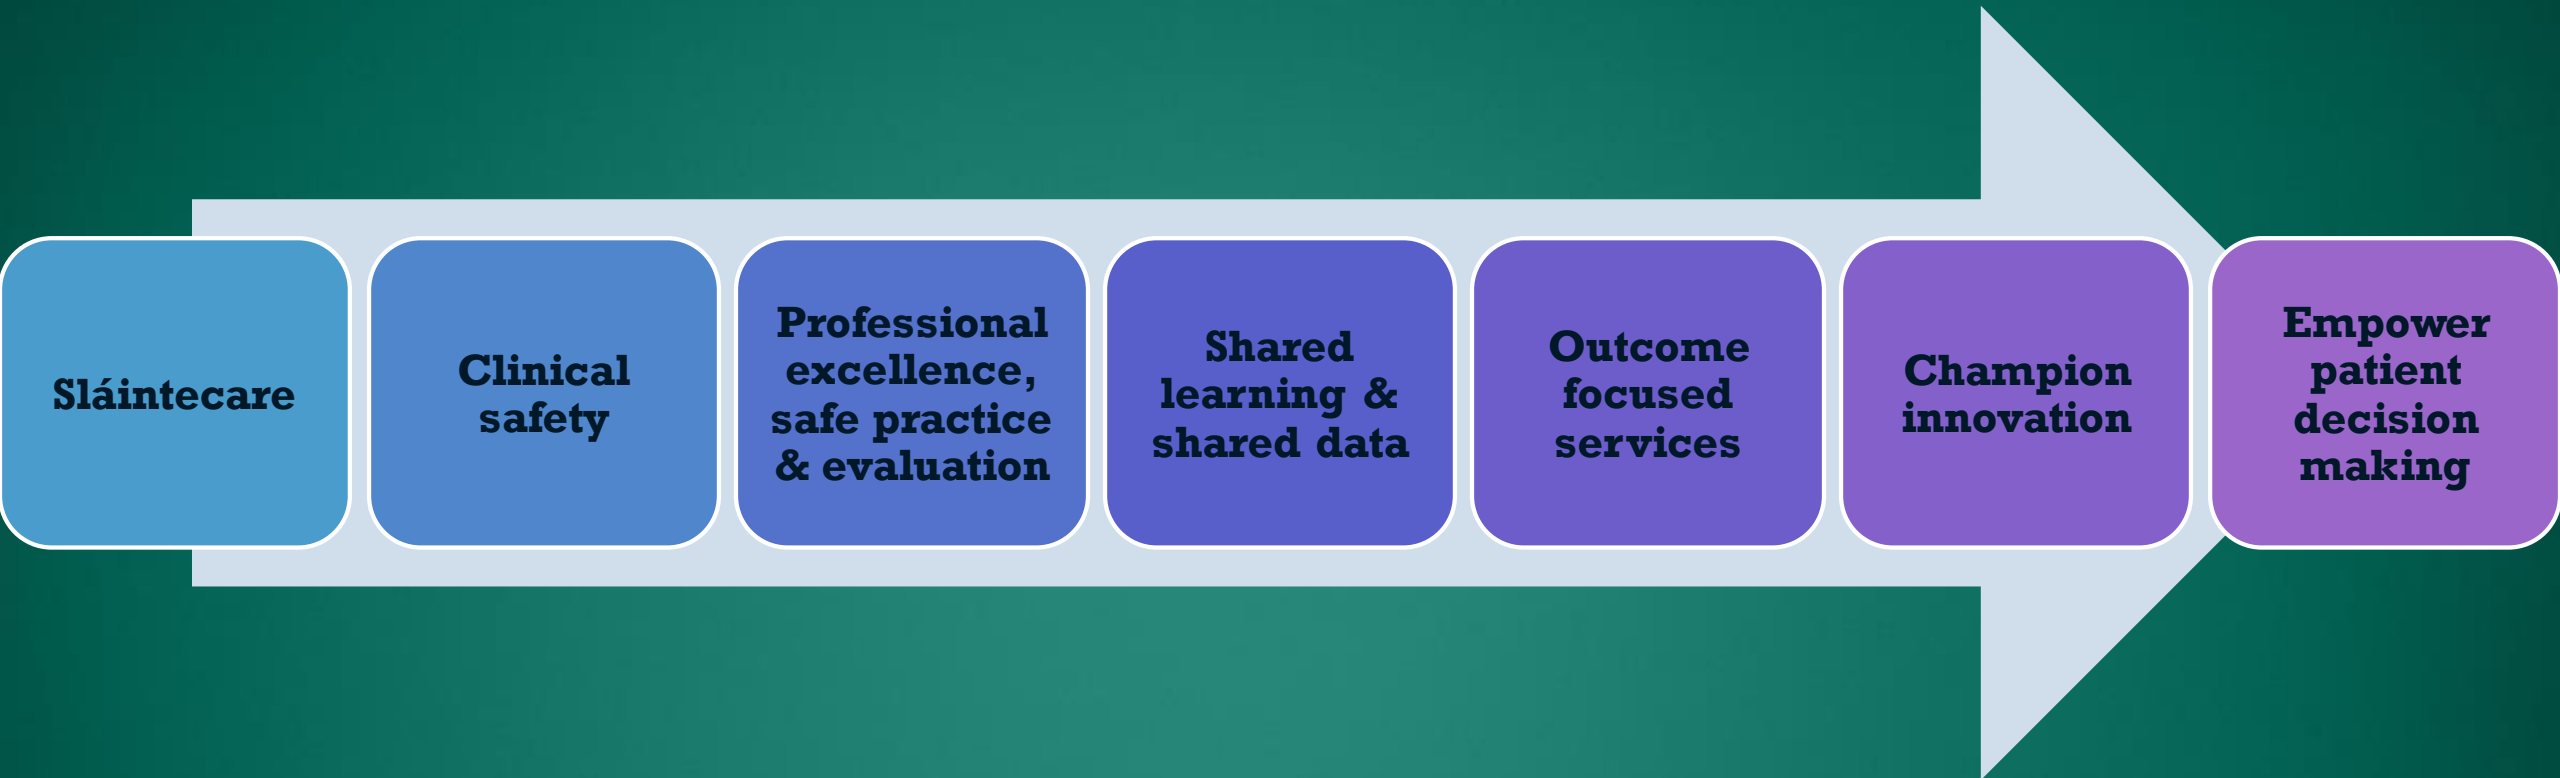

Enable all Nurses and Midwives to attain a level of data, digital and cyber security literacy.

Enable the Environment with Education , Experiential Learning and Exposure to Digital Health Technologies.

SAFE QUALITY CARE

CONNECTING THE PATIENT

THE ASK

*Support your Digital Leaders to Sustainably
Drive Digital Expansion*
- *Ex nihilo nihil fit*
